

# Ignatian Experience

**Suitable for End-Of-Year / Senior class trips, athletic team tours, history classes, spanish language classes, religious classes, faculty and school community in general**

**Buenos Aires, Colonia del Sacramento, Iguazú Falls**

This cultural experience is an excellent tool for all participants, whether they are students, athletic coaches, faculty, or members of the school community in general, to learn more about the history of the Company in South America. This trip offers faculty the possibility to reinforce what is taught in class during the school year. The itinerary can be customised to each group's needs. Add cultural, athletic, religious and social service activities as you need to create the trip itinerary that best suits your group.
